Determination to shorten the time for filing responses to motion for increased page limits for petitions for review of the final initial determination

The Commission has determined to shorten the response time to a motion requesting an increase in the page limits applicable to petitions for review of the final initial determination issued on July 29, 2016. Any responses to the motion are due no later than August, 4, 2016. (Issued: Aug. 3, 2016)

Determination to extend target completion date (non-review)

The Commission has determined not to review an initial determination (Order No. 61) extending the target date for the completion of the investigation to November 29, 2016. (Issued: Aug. 3, 2016)

Determination to deny motion requesting page limit increase

The Commission has determined to deny respondents' motion requesting an increase in the page limits applicable to petitions for review of the final initial determination issued on July 29, 2016. (Issued: Aug. 8, 2016)

Notice of request for statements on the public interest

81 F.R. 52907, Aug. 10, 2016

Determination finding violation (review-in-part); briefings requested

The Commission has determined to review in part the final initial determination issued on July 29, 2016, finding a violation of section 337 of the Tariff Act of 1930, as amended. "The Commission requests certain briefing from the parties on the issues under review, as indicated in this notice. The Commission also requests briefing from the parties and the public on the issues of remedy, bonding, and the public interest." (Issued: Sep. 29, 2016)

Determination extending target completion date

The Commission has determined to extend the target completion date this investigation to Monday, December 19, 2016. (Issued: Nov. 25, 2016)
